

Dear Volunteer,

Thank you for agreeing to participate in our event with Urban Habitat. We appreciate your taking the time to help us make this area even more beautiful. Before we begin, we want you to be aware of certain risks associated with this Event.

As with any outdoor activity, there are inherent risks. Among other things, you might encounter uneven terrain or slippery or wet conditions, so there is the possibility that you might fall down and injure yourself. It is also possible that you could come into contact with plants, animals, or insects that could injure you or cause allergic reactions. Rattlesnakes and other poisonous and unpredictable animals can be found in this area, which creates the risk for snakebites or other injury caused by animal behavior. Weather is also unpredictable, so there is a risk of sunburn, and the risk that you could be away from shelter if inclement weather occurs. Individuals under the age of 18 must be accompanied by a parent or legal guardian.

To show that you understand these risks and are willing to participate in our Event, please read and sign the assumption of risk and release below and return it to neal.dombrowski@redbutte.utah.edu. Anyone under 18 must be accompanied by a parent or legal guardian.

Thank you again for your participation,
